

Technical drawing showing a rectangular layout with dimensions and labels. The overall width is labeled $D=10610$. The overall height is labeled $L=5010$. The layout is divided into two main horizontal sections by a central vertical line. The top section has a width of $D1=5200$ and a height of $L2=3726$. The bottom section has a width of $D2=5200$ and a height of $L1=1055$. The layout is further divided into four quadrants by a central vertical line and a horizontal line. The quadrants are labeled **a**, **b**, **c**, and **d**. The layout includes a grid of lines and a central crosshair.

[illegible]
